WSPA DANCE STUDIO

What dance is all about!

All of our current WSPA families will be given priority registration for the 2011-2012 dance year. After June 15th we will open up our registration to the public. Below you will find our tentative 2011-2012 class schedule which will help you in registering for next year. We have made a few adjustments from our current schedule to make room for new families. You will find openings for private lessons which will be filled on a first come first serve basis. At WSPA we work diligently to make your experience with us a positive one. If you have concerns about placement of your dancer it is always best to make an appointment with Sharon to discuss any concerns. If you did not receive a recommendation from Sharon to change classes this month, then please register for the same classes as you were in for the 2010-2011 dance year. If you need a different schedule please call Sharon at 833-9772. E-mail sharonab@tds.net

WSPA is proud to teach the ABT(American Ballet Theater) Curriculum to all of our ballet students. Sarah Zeisser is accredited to teach the levels Primary through Level 3 classes and has passed the curriculum along to our staff.

Pointe: If you are interested in starting pointe you must first receive a recommendation from Misty and Sharon. There are many factors in determining if a dancer is ready to start on pointe. Strength, balance, technique and most importantly, growth are some of the considerations we take very seriously. Students who are asked to wait should feel confident that this is done to prevent serious injury to the dancer. Please remember that most dancers are asked to wait one more year and it is always recommended that you are in the studio for at least three classes per week.

Private lessons: If you would like private one on one time with an instructor, you will need to register early. Private lessons are on a first-come-first-serve basis. Actual class times will be assigned at a later date based on the students' class schedules. Private lessons should be for the dancer who wants to get more from them self. This is a time to work on corrections and technique identified in other classes, along with performance skills. You are not required to perform a solo in any performances if you prefer. We ask that all private students register for the year to make this commitment worth while. Students enrolled in private classes must also register for a group class in the same discipline.

Class lessons: Although our classes are divided into age divisions, we reserve the right to move a student based on ability and needs. Decisions on placement will be made by both the class instructor and Sharon at their discretion.

Jump Starts

New program for children who have not yet experienced the joy of dance.

J.S. 3/4 year olds combo class ballet/tap 45 min class.

J.S. 5/6 year olds combo class ballet/tap 60 min class.

If you have any questions, please don't hesitate to ask. We look forward to another great year!
